

CUSTOMER MEMORANDUM ATTACHMENT 1.2 - NON-PROPRIETARY WORK PLAN

This attachment allows your DAF Stakeholders to review the Work Plan before signing the Memorandum, rather than basing signatures on proposed milestones only. The Work Plan will be incorporated into the Phase II award document, if selected. **DO NOT** merge your completed Non-Proprietary Work Plan into the Customer Memorandum PDF.

If more space is needed for your Work Plan, please enter below or enter N/A.
