**Compliance with the following guidance is necessary for consideration in the DAF SBIR/STTR Supplemental Funding Pilot Program.** The DAF reserves the right to adjust these guidelines at any time. Changes to these guidelines will be sent to eligible companies.

**GENERAL GUIDELINES**

1. Funding used as matching for a prior SBIR or STTR Phase II award cannot be counted toward any funding increase contemplated under this program.

3. Subcontracts do not count for the purposes of matching.
4. If the matching funds are to be applied to the TACIT or STRATIFI Phase IIB or Sequential Phase II Award designation, then the specific tasks for which non-SBIR matching funds will be applied must be identified in the "Payment Amount" column of Attachment 1 of the Customer Memoranda, and the companies from both 1) the organization that provides the funds and 2) the organization that awards the funds will need to agree with the use of these funds for those specific tasks that are identified.
5. The Supplemental Funding Increase form in Attachment 4 must be completed and included in response to this Notice of Opportunity.

**TACTICAL FUNDING INCREASE (TACFI) SPECIFIC GUIDANCE**

1. The **MINIMUM** amount of SBIR/STTR funds that the Government may provide any single participant is \$750K.

3. The **MAXIMUM** amount of SBIR/STTR funding that the Government may provide against a single TACFI effort, unless a written exemption is provided by the AF/VENTURES Division Chief, is governed by a "Maximum Matching Ratio" (MMR). Two MMR options are provided below:

**Dual-Use Matching Option:** The Maximum Matching Ratio (MMR) is one part SBIR/STTR funds for every one part eligible third-party funds. With a minimum contribution of \$750K from SBIR/STTR funds and \$750K from eligible third party funds.
